

C-280 T REM Emerald Bay. The World's Most Luxurious Hydro Massage Tub 100% Southern California Manufactured

Emerald Bay by RMS offers a luxurious recipe from everyday stress.

It's design philosophy combines beauty, craft and functionality.

Elegant boat-shape body and enormous amount of interior space create comfortable environment for everybody including very tall people.

Emerald Bay features 3HP extra quiet motor, creating a dramatic increase in both massage intensity and comfort level. It also generates extra powerful air massage with heated air and stepless intensity adjustment. The perfect compliment to it's royal size is Quadro sound system with lighted remote control.

Emerald Bay delivers a spa experience like nothing else.

To help you reduce stress and tension Emerald Bay is equipped with:

- Powerful underwater / ventury hydro massage: 9 therapy modes (2 pre programmed + manual 6+1), more than 50 different therapy combinations);
- This tub is equipped with fully automatic fill and fully automatic drain. Fill your tub with water or drain it with just a touch of a button!
- Invigorating Air bubble massage with heated air and stepless intensity adjustment.
- Integrated Aroma therapy system
- 10 underwater chroma therapy modes / light effects - choose yours!;
- **NEW: "Tropical Mist"** - innovative invigorating Fog System with adjustable temperature feature, an excellent preparation for all kinds of facial treatments. A warm clean draw of moisture rich air causes pores to expand and stimulates blood circulation. Choose cool moisture rich air that feels like a soft ocean breeze and cleans pores while moisturizing your skin. Your lungs will feel the difference right away.
- 3 waterfalls; electronically controlled, multiple settings;
- Top-Of-The Line Marine grade audio system
- Electronic control of all functions and **many other striking features.**

Dive into Emerald Bay! [More photos](#)
