

AFFUSION / VICHY SHOWERS

Affusion shower model V-07 Exclusive Polished Chrome (shown with options)

Affusion shower was designed in Vichy, France as one of the hydrokinetic treatments. Affusion shower treatments are highly relaxing and pampering. They can be used as a separate water treatments or in conjunction with body mud treatments, etc.

Our sophisticated, state - of - the art affusion showers combine superior quality, elegant design and are available in 5 different models and 2 finishes varying from 4 to 14 shower heads/ water injectors with individual flow control buttons and pivot system.

Using advanced control system panel you can easily go from a fine micro massage to a pressurized water massage that stimulates blood circulation.

Affusion / Vichy Shower V-07 Exclusive

14 shower heads/injectors with flow control, pivot. Equipped with hand shower, charcot shower / scotch hose, protective screen for face and automatic water mixing and tempcontrol system.

Available in two finishes: "Polished Chrome" and "Gold".
