

THE L-LINE WET SPA TABLES

COMPLIMENT YOUR SERVICES AND ENHANCE BODY TREATMENTS WITH THE BENEFITS OF WET SPA TABLES AND VICHY SHOWERS

This Luxury Line table has been designed for the day spa that desires to offer wet room treatments with [Vichy shower](#) massage, relaxation treatments, mud, seaweed, salt scrub, etc. applications.

The molded anatomically shaped table is designed for maximum comfort and relaxation. It limits water splash due to special design and self-drain base. It is equipped with adjustable height base. Adjustable self-leveling feet, special easy-clean vinyl mattress (pad) and head pillow are standard features.

Model B includes auto adjusting thermostatic control valve and hand shower w / individual shut-off valve.
